2009 San Francisco New Living Expo April 24 – 26
Culture, Wellness and Sustainable Living Festival

Imagine A World With Infinite Possibilities: Creating Better Lives, a Better Economy and Lots of Fun!

San Francisco (January 22nd, 2009) – In this erratic economy it's reassuring to know that the money you spend on your weekend entertainment will be going to sustainable living products, empowering speakers, cutting edge doctors, scientists, independent vendors and small business owners that are environmentally conscious and are giving back to the planet.

The New Living Expo is a signature event in the Bay Area, bringing together cutting edge Exhibitors, Speakers and Lecturers. Not only will attendees be able to mingle with like minded people, but they will be able to enhance their own self-growth by being with the experts connected with evolving human empowerment and global community.

Through panels, keynote addresses, free lectures and special events, The New Living Expo will be addressing significant and timely topics such as; How to attain a better quality of life in this economy, How to create meaningful relationships during challenging times, How to apply transformative wisdom to create a better world, personal life, job and community. In addition the event will showcase how science has proved that there is a mind/body connection to healing and/or arresting many diseases.

The New Living Expo will have over 300 booths vendors selling mind, body and spirit enhancing gifts, books, and services that celebrate and improve your health and contribute to a friendly environment. Local artisans will be selling precious and semi-precious jewelry and a vast amount of handmade items. You will even find an array of earth friendly gifts for under \$25.00.

See world renowned speakers, celebrities, scientists and doctors including; Actor and Green Living advocate **Ed Begley, Jr.**, "Conversations With God" **Neale Donald Walsch**, Leading worldwide authority on "live food" nutrition **Gabriel Cousens, M.D., M.D.(H)**, NY Times Best selling author and Harvard graduate, **Joan Borysenko, Ph.D.**, and hundreds more. Join us as we participate in the transformation of our societies, consciously and in a sustainable uplifting way.

The New Living Expo with The Sunrise Center is a non-profit public benefit corporation to provide programs, products and possibilities for inspiring the

experience of unity: with one's self and others, and with the environment at large
